Dear Mr. Leary:

Enclosed is a copy of our Removal Site Inspection Report for the Kolmakof Mine Site, dated March 2008. This report incorporates ADEC and other stakeholder comments on the draft report provided to you in November. Subject to availability of funds, we plan to conduct removal of solid wastes from the Site and continue characterization of the tailings dump area to adequately define its impact on the Kuskokwim River. If you have any questions or comments concerning this report or other aspects of the project please contact me at 907-267-1226, or by email at [Larry\\_Beck@ak.blm.gov](mailto:Larry_Beck@ak.blm.gov).

Sincerely,

/s/
